Pumpkin Prayer

Cut off the top:

Open my mind and fill me
with your wisdom and
guidance.

Scoop out the yuckies:

Take out all my fussies and
frownies and fill me with your
love.

Carve out the eyes:

Open my eyes to see all of the
beautiful things you have
made.

Carve out the nose:

Help me to be a sweet
fragrance for you.

Carve out the mouth:

Help me to always speak your
words of love and kindness.

Maples Repertory Theatre in Macon, MO
\$91.00

The story of a pioneer woman and her six daughters, *Quilters* blends a series of interrelated scenes into a rich mosaic which captures the sweep and beauty, the terror and joy, the harsh challenge and abiding rewards of frontier life. Illuminating stories contained in various patches or "blocks" with music, dance and drama, the action depicts the lot of women on the frontier: girlhood, marriage, childbirth, spinsterhood, twisters, fire, illness and death.

But, with this, there is also love, warmth, rich and lively humor and the moving spectacle of simple human dignity and steadfastness in the face of adversity. In the end, when the various patches are assembled into one glorious, brilliantly colorful quilt, the effect is both breathtaking and magical---and a theatrical masterstroke which will linger in the mind and memory long after the house lights have dimmed.

This trip includes lunch at the highly reviewed Smokehouse, a trip through the historic district of downtown Hannibal, and a stop at Mark Twain Dinette!

You won't want to miss this opportunity to see "*Quilters, A Musical*," with your Heritage Club friends.

This latest addition to the Church Basement Ladies series, *Rise Up, O Men*, is a brand new musical comedy introducing the men of the church right alongside your favorite ladies from the basement. As these hard-working farmers discuss "man stuff," they unintentionally disrupt the order of the kitchen. But that's what happens when you let the rooster in the hen house.

Prior to the show, our travelers will enjoy lunch at the Millstream Brewing Company. Millstream Brewing Co. is the first brewery to operate in Amana since 1884. Concluding the show, we will make a visit to the Amana General Store.

I've been hearing about the Equifax breach in the news. What happened?

Equifax, one of the three major credit bureaus, experienced a massive data breach. The hackers accessed people's names, Social Security numbers, birth dates, addresses and, in some instances, driver's license numbers. They also stole credit card numbers for about 209,000 people and dispute documents with personal identifying information for about 182,000 people.

Was my information stolen?

If you have a credit report, there's a good chance it was. Go to a special website set up by Equifax to find out: <https://www.equifaxsecurity2017.com/>. Scroll to the bottom of the page and click on "Potential Impact," enter some personal information and the site will tell you if you've been affected. Be sure you're on a secure network (not public wi-fi) when you submit sensitive data over the internet.

How can I protect myself?☐ **Enroll in Equifax's services.**

Equifax is offering one year of free credit monitoring and other services, whether or not your information was exposed. You can sign up at <https://www.equifaxsecurity2017.com/>.

☐ **Monitor your credit reports.**

In addition, you can order a free copy of your credit report from all three of the credit reporting agencies at annualcreditreport.com. You are entitled to one free report from each of the credit bureaus once per year.

☐ **Monitor your bank accounts.**

We also encourage you to monitor your financial accounts regularly for fraudulent transactions. Use online and mobile banking to keep a close eye on your accounts.

☐ **Watch out for scams related to the breach.**

Do not trust e-mails that appear to come from Equifax regarding the breach. Attackers are likely to take advantage of the situation and craft sophisticated phishing e-mails.

Should I place a credit freeze on my files?

Before deciding to place a credit freeze on your accounts, consider your personal situation. If you might be applying for credit soon or think you might need quick credit in an emergency, it might be better to simply place a fraud alert on your files with the three major credit bureaus. A fraud alert puts a red flag on your credit report which requires businesses to take additional steps, such as contacting you by phone before opening a new account.

How do I contact the three major credit bureaus to place a freeze on my files?

Equifax: Call 800-349-9960 or visit its website.

Experian: Call 888-397-3742 or visit its website.

TransUnion: Call 888-909-8872 or visit its website.

Where can I get more information about the Equifax breach?

You can learn more directly from Equifax at <https://www.equifaxsecurity2017.com/>. You can also learn more by visiting the Federal Trade Commission's web page on the breach at <https://www.consumer.ftc.gov/blog/2017/09/equifax-data-breach-what-do>. To learn more about how to protect yourself after a breach, visit <https://www.identitytheft.gov/Info-Lost-or-Stolen>.

Faced with the harsh realities that his father is on the naughty list and his half-brother doesn't even believe in Santa, Buddy is determined to win over his new family and help New York remember the true meaning of Christmas.
